Over the last twelve months, your Ridgway YMCA has opened its doors and assisted:

Girl Scouts

Boy Scouts

Ridgway Football

Cheerleading Programs

Cub Scouts

St. Leo's Gym Classes

Ridgway Soccer

and Numerous Others

It is the belief of the YMCA that as a community based charitable organization; we work in concert to support those organizations which provide enrichment to our community at large. The community cohesion Ridgway enjoys is due in part to the YMCA based programs, classes, events and facilities offered and enjoyed by many. These efforts come at an expense of both time and money. Our Governing Board of volunteers manages an **annual budget requirement of \$326,000**, which not only supports the 29 employees of the Ridgway YMCA but also ensures that all the YMCA based activities and programs will continue to be offered for the benefit of all. We need your continued support to keep Ridgway a place for all to enjoy.

Please consider supporting the YMCA through both Financial as well as Volunteer efforts.
