HEALTHY COMMUNITY CAMPAIGN

The Board of Directors, Trustees and Staff of the Ridgway YMCA share a vision of community development. Each year the Board of Directors of the YMCA faces many challenges to keep this vision in their sights. We have found that the best way to tackle these challenges is through our annual sustaining campaign.

It is the belief of the YMCA that, as a community based charitable organization, we work in sync to support other community organizations which provide enrichment to our community. The community cohesion in Ridgway is due in part to YMCA based programs, classes, events and the facilities offered and enjoyed by many.

These efforts come at an expense of both time and money. Our governing board of volunteers manages an **annual budget requirement of just \$326,000**, which not only supports nearly 30 employees, but also ensures that all the YMCA based activities and programs will continue to be offered for the benefit of all.

Please consider supporting your Ridgway YMCA through both financial and volunteer efforts. Your contribution is necessary to keep Ridgway a happy and healthy community!

By working together, we give our community the opportunity to grow stronger in spirit, mind and body. A complete campaign brochure, class schedules and more can be found on our website, **www.ymcaridgway.com**.

Please donate today! All donations are tax deductible.

Thank you for your contribution to your Ridgway YMCA!
